- Add customer

The image shows a mobile application interface for adding a new customer. The screen has a red header bar with a back arrow and the text "Add customer". Below the header, there are two input fields: "Customer name *" and "Phone *". The "Customer name" field contains the placeholder text "Input your customer's name". The "Phone" field contains the placeholder text "Input phone number". Below these fields is a red button labeled "Add". At the bottom of the screen is a navigation bar with four icons: a house icon labeled "Home", a dollar sign icon labeled "Transaction", a red person icon labeled "Customer", and a gear icon labeled "Setting".
