The screenshot shows a mobile application interface for adding a transaction. The top bar is red with a back arrow and the text "Add transaction". Below this, there is a section for "Customer *" with a dropdown menu labeled "Select customer". Two items are listed: "hgafjdfjgs" and "goi dau", both with a red checkmark. Each item has a quantity selector (a minus sign, the number "1", and a plus sign) and a dropdown menu labeled "Me". The price for "hgafjdfjgs" is "123 đ" and for "goi dau" is "100.000 đ". A third item, "Cat toc", is listed with an unchecked radio button. At the bottom, there is a red button labeled "See summary: (100.123 đ)". The bottom navigation bar has four icons: Home, Transaction (highlighted with a red dollar sign), Customer, and Setting.
